

The Pennsylvania Office of Developmental Programs (ODP) invites you to a

Supportive Technology Open House AUGUST 6

This is an Open House event.
Participants may attend at any
time between 10 am & 2 pm.

REGISTRATION REQUIRED

TUESDAY 10 am - 2 pm
TechOWL Community Space
1392 Cecil B. Moore Avenue
Philadelphia, PA 19122

*(Temple University Main Campus in lower level of Morgan Hall,
next to Insomnia Cookies and close to subway and bus routes)*

Come explore and learn about different types of Assistive Technology (AT). The event features demonstrations and opportunities for hands-on experience in a broad range of AT focused on increasing independence and quality of life for individuals with disabilities

A sneak peek into the Open House includes the following AT categories:

- Daily living
- Adaptive gaming
- Augmentative and alternative communication
- Low vision and blindness
- Much more...

This event is being sponsored by ODP's Expanding Technology to Support Independence workgroup whose focus is to identify ways in which technology can be used to support individuals with disabilities to acquire, maintain, or improve skills necessary to live independently.
